

# **“In-Close” Billet License Plate Holder - Softail® Instructions**

(Fits `89-Up Softails®)  
(Part #CV-4600)

## **Parts included:**

- 1 – Chrome backing plate
  - 1 – Chrome mounting axel block
  - 3 –  $\frac{1}{2}$ ” x  $\frac{1}{4}$ ” counter sunk black screws
  - 1 – Chrome license plate frame
  - 4 –  $\frac{10}{24}$  x  $\frac{1}{4}$ ” button head screws
- Installation Time: Approximately 1 hour or less.

- Use Locktite on all fasteners.
- Lift the rear wheel slightly above ground level.
- Remove axel nut and cotter pin.
- Hold “In-Close” license holder to swing arm and slide axle through and torque axel nut to 65lbs and retain with cotter pin.
- Install license plate back to mount using  $\frac{1}{2}$ ” x  $\frac{1}{4}$ ” screws. (Use Locktite)
- Install license plate frame using  $\frac{10}{24}$  x  $\frac{1}{4}$ ” button head screws. (Use Locktite)
- Before turning the rear wheel, check the clearance between the “In-Close” holder and the pulley.
- Check axle adjustment.
- Rotate the wheel before letting the bike down to double check clearances.
- And again, use Locktite on all fasteners.

### **Our Warranty Policy**

Cycle Visions' obligation under “Our Warranty Policy” is limited to one (1) year from date of purchase to repair or replacement of the defective item (s). Chrome, polished, powder-coated, anodized finishes, or electrical parts are limited to thirty (30) day from date of purchase.

This warranty will be void on all products that show evidence of misapplication, improper installation, abuse, lack of proper maintenance, negligence, or alteration from their original design.

The consumer will be responsible for removing from the vehicle any defective item (s), transportation costs prepaid and for reinstallation upon return by Cycle Visions. The loss of use of the product, loss of time, inconvenience, commercial loss or consequential damages is not covered. Cycle Visions reserves the right to change the design of any product without assuming any obligation to modify any product previously manufactured. Warranty returns of Cycle Visions products are few because of our high quality products.

Carefully inspect all parts.... If you find that your parts arrived in damaged conditional all original packaging material (box and other materials) must be saved to make a proper damage claim within seven (7) days. You must be able to present the damaged boxes and materials to the freight carrier to verify your claim. The user shall assume all legal, personal, injury risk and liability and all other obligations, duties and risks associated therewith.
