**** H-D® Parts Required: Must be purchased separately ****

- 4 - 47449-97 Bracket
- 4 - 70909-95 Receptical
- 4 - 6229W Washer
- 4 - 90834-95A Bail Head Studs
- 1 - Set FLT Bags

Works with FLT Style Hard Bags & Classic Bags

Check out Cycle Visions.com for turn signal options

Note: Rear turn signals will need to be removed from struts and on EVO FLSTC®, turn signal bar will need to be relocated. May not work with rear axle covers. Will work with ridge or quick release sissy bar side plates. **Note:** Exhaust pipes must be lower than rear axel.

- 1 Bolt upper bag support to struts as shown in Figure 1. **Note:** There is a right & left side. Install HD® bracket (P/N 47449-97) as shown in Figure 1.
- 2 Install lower support brackets to the inside of the frame at the rear peg. **Note:** On some models with wider seats, you may need to install a lower support bracket on the outside of frame. See Figure 2. **Note:** There is a right and left side. On '86 to '99 reuse the 1/2 bolt through the support bracket and reinstall rear foot peg. On 2000 & Up models use the new longer 3/8 Allen bolt through foot peg clevis and install nut and washer on the back side of support bracket.
- 3 Install cross-over support using the (4) 5/16 bolts and nuts. See Figure 3.

Note: Use locktite on everything!

Warranty Policy

Cycle Visions's obligation under "Our Warranty Policy" is limited to one (1) year from date of purchase to repair or replacement of the defective item (s). Chrome, polished, powder-coated, anodized finishes or electrical parts are limited to thirty (30) day from date of purchase

This warranty will be void on all products that show evidence of misapplication, improper installation, abuse, lack of proper maintenance, negligence, or alteration from their original design

The consumer will be responsible for removing from the vehicle any defective item (s), transportation costs prepaid and for reinstallation upon return by Cycle Visions. The loss of use of the product, loss of time, inconvenience, commercial loss or consequential damages is not covered. Cycle Visions reserves the right to change the design of any product without assuming any obligation to modify any product previously manufactured. Warranty returns of Cycle Visions products are few because of our high quality products

Carefully inspect all parts.... If you find that your parts arrived in damaged conditional all original packaging material (box and other materials) must be saved to make a proper damage claim within seven (7) days. You must be able to present the damaged boxes and materials to the freight carrier to verify your claim. The user shall assume all legal, personal, injury risk and liability and all other obligations, duties and risks associated therewith.
